the collection of chairs of appealing design and high comfort.

THE SHAPES OF COMFORT

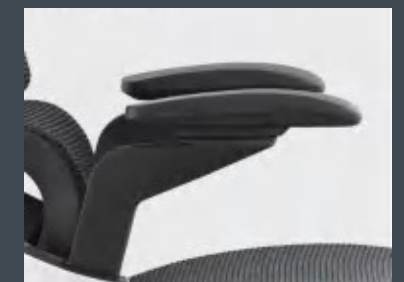

01/02-SERIES

The design concept comes from the water drop, Paris and our designer create the human shape all-aluminum alloy back frame from it. The product is made of the all-aluminum alloy back frame to connect the mechanism which can make the design delicately and the seating have science feeling. The bionic curve chair back design guides the activity of the spine scientifically, so that the body can stretch freely and the seat can lie at will.

WATER DROP

28-SERIES

Style comes from temperament, wisdom means in gentleman style. The design is a combination of solemn and sober with modern simplicity, explaining the business attitude of continuous pursuit of high quality with rational wisdom, highlighting identity and taste.

18-SERIES

Using high quality Napa fine grain cowhide, the design strives for maximum comfort. The concept of ergonomic design, high quality and simple design reflects the uniqueness of the product, which is healthy and comfortable.

66-SERIES
